TERMS AND WARRANTY INFORMATION

Terms and Conditions of Sale

Cancellations and Order Changes

No cancellations, changes, additions, or holds can be accepted for an order which materials have been specifically ordered and / or produced. You have 48 hours to make any changes, cancellations, additions or holds. Any deviation from this policy will be subject to a 25% restocking fee. If items are added to an order or an item on an order is changed, the entire order will be rescheduled as of the date of the change. This may result in a later ship date than the original order.

Freight and Delivery Time

The approximate delivery date is shown on the order acknowledgement. Unless specified, we will ship the least expensive or most practical way, based on the size and weight of your order. Freight rebates will NOT be given if a less expensive, route or carrier is found when "best way" instructions have been followed. Suncoast will not be responsible for any additional freight charges above the freight quote.

Freight Claims

All Suncoast products are carefully inspected at our factory before any designated freight carrier receives them. The risk of loss or damage of the goods passes to the buyer at the time the goods are received by the carrier. Any damage that has resulted during shipment, whether apparent or concealed, must be reported to the Freight Company and Suncoast immediately. Any noticeable damage to a carton upon arrival should be inspected. "Possible damage" should be written on BOL at time of delivery before the freight driver leaves your facility. For third party billing and collect shipments, dealer is required to file their own freight claims.

Claims for Shortages and Returns

Claims for shortages must be made within five (5) days after receipt of goods. Our responsibility for shipment ceases after delivery of goods to the transportation company. No allowance is made for freight over charges. Written authorization is required on all goods returned. All returns are subject to a twenty-five percent (25%) restocking fee. No credit will be allowed for goods returned without our written authorization. Furniture returned without proper authorization will be refused. Customers should sign only for cartons received. Note any shortage or evidence of damage on the Bill of Lading/Freight Bill and have the freight carrier driver sign. If any damage is detected after delivery, call the freight carrier within forty-eight (48) hours and request an inspection report, then immediately notify Suncoast customer service department. You must save all damaged cartons and packaging. Any deviation from this policy will result in the customer being charged for the replacement items.

Finish, Vinyl Straps, and Fabrics

All furniture is finished with our exclusive "Platinum Bond" finish. Refer to catalog for available Frame Finishes, Vinyl Straps, and Fabrics. No allowance is made for COM fabric. Use Grade A price and contact factory for yardage requirements for COM Fabrics. (COM fabrics are only allowed on cushion items) You must fill out the COM Form and provide us with a swatch of the fabric which you will attach to the form.

In our continuing effort to provide the finest quality casual furniture in the industry, Suncoast reserves the right to make minor design changes or modifications and to discontinue finish colors, strap colors, fabrics, or styles without notice.

Common Warranty Details

What is Not Covered

This warranty does not cover, and is void, if your furniture is damaged by acts of nature including freeze damage, fire, storms, high winds, hurricanes, tornadoes, floods, salt water corrosion of finish near coastal areas, submersion in pool, suntan lotion, mildew, normal wear and tear, normal fading of faux table tops, fabrics, upholstered materials and woven seat materials, exposure to harsh chemicals or solvents, abuse or failure to take reasonable care of the furniture. Warranty does not cover acrylic tables with umbrella hole or purchased parts including glass, acrylic, marble, mosaic, faux mosaic, faux stone, faux granite, fiberglass tops, glides, rocker mechanism, fiberglass rocker plates, plugs, glider hangers, hardware, umbrellas, and umbrella bases. Discoloration of furniture due to environmental factors. Warranty does not cover parts, components, or accessories made of steel or copper. This warranty does not cover color changes of the vinyl, abrasions, chipping or scratches of the furniture finish in normal use. **Proof of purchase is required.** Suncoast does not cover packing charges on any claim regardless of timing. Crank umbrellas in commercial applications are not covered under this warranty.

Seaside Use

The demands of salt air will adversely affect the powder coat frame finish near coastal areas. Suncoast recommends weekly cleaning to minimize the buildup and oxidation of salt and recommends a monthly waxing to assist in your products longevity. Finish warranty is limited to one year within one (1) mile of salt water. Failure or neglect to make needed cleanings may cause paint to blister or peel, and such failure will void the warranty. Finish warranty is void if furniture is submerged in pools containing salt or chloride type chemicals.

Obtaining Service

To obtain service, provide proof of purchase receipt and a completed copy of our "Product Resolution Form" stating the problem. Send to our customer service department at our Fort Myers address, by fax, or by email (preferred method) at customerservice@suncoastfurniture.com. We require pictures of each piece of furniture from the side so that we can easily identify the series of furniture and one clearly showing the area affected. Our intention is to provide a quick response in solving your service related issues. By following the above procedures we can help resolve these issues in a timely manner without delay. A Return Merchandise Authorization will be sent to you giving instructions for returning items if it is classed as a warranty. Our factory will accept no returns without prior written authorization from our Customer Service Department. After authorization is received, your furniture must be returned to the factory in proper packaging and the freight must be paid to us and then paid before we return to you. This warranty applies only to furniture purchased by the consumer on or after August 1, 2018.

Care Instructions - Sling, Cushion, Upholstered Furniture

All we recommend for cleaning of the slings/cushions is Dawn or Ivory dishwashing soap in a mild solution of warm water and a cloth or very soft brush.

Rinse off with a hose and let dry in the sun. Make sure you wipe off the frame so that it is free of water.

DO NOT use any harsh chemicals, pressure wash or throw the furniture in the pool. This will destroy the integrity of the sling and cause it to prematurely deteriorate.

DO NOT store damp furniture. This will cause mold/mildew to form on the sling. Make sure all items are free of water and are completely dry before storing for the winter. Water left in the rails of the furniture will freeze. As the water freezes, it will expand, expanding the sling rail as well. When the water melts, the rails will stay at the expanded size.
